KEEP IT ON YOUR MIND ALWAYS

that we are in the clothing business more for your benefit than for our own. That's why we are growing. In this competitive age a merchant must look out for the interests of his patrons first and his own interests afterwards. We cut prices so low sometimes that it's hard to pull out a profit, but we don't advertise to acquaint you with our troubles. Get the benefit of our business methods and let us do the worrying.

All Sores Are Not Cancerous

While all Old Sores are not cancerous in their nature, every slow healing ulcer shows a degenerated condition of the blood. Virulent impurities in the circulation produce angry, discharging ulcers, while milder and more inert germs are usually manifested in the form of indolent sores or dry, scabby places. Efforts to heal an old sore with external applications always result in failure because such treatment does not reach the blood, and the ulcer will continue to eat deeper into the surrounding flesh as long as a polluted circulation discharges its impurities into it. S.S.S. heals old sores of every nature by purifying the blood. It goes to the fountain-head of the trouble and drives out the germ-producing poisons and morbid impurities which prevent the place from healing. Then a stream of rich, nourishing blood, which S.S.S. creates, causes a perfect and natural knitting together of all flesh fibres, making a thorough and permanent cure. The sore does not "come back" when S.S.S. has made a cure, because its source has been destroyed. Book on sores and ulcers and medical advice free.

BRIDGEPORT

BRIDGEPORT, Aug. 23.—The Bridgeport lamp chimney factory has resumed operation at its new plant near the depot. It is one of the largest and most modern of its kind in the country and will employ a large number of boys and men and a few women.

Public spirited citizens have established a men's reading room in the building on Pike street near O. D. Barnes's store, which will be open every evening from 7 until 10 o'clock except Sundays, when the hours will be 2 until 5 o'clock. The credit is due the Rev. Mr. Bragg, pastor of the Baptist church, who is at the head of the movement. Contributions of papers and magazines of the proper character are solicited from all who are interested.

Dr. C. R. Ogden, of Clarksburg, will give a public lecture in the First Baptist church Tuesday evening, August 27 on the subject of "Physical Morality," under the auspices of the Methodist Episcopal Mothers Club. There will be no admission but a silver offering will be taken for the benefit of the mothers' library.

Mrs. John Moore and Mrs. Roy Peshak, teachers of the intermediate and junior classes in the Methodist Episcopal Sunday school, gave their pupils an outing yesterday. They went to Mt. Zion on the 2:15 car and after a very enjoyable afternoon was spent a delicious picnic supper was served.

Mrs. B. F. Taylor and children, of Haywood, are guests of her sister, Mrs. Claude Riley.

Mrs. Marie Bartlett is visiting Mr. Bartlett's sister, Mrs. John Lawrence, of Jefferson, O.

Mr. and Mrs. E. F. Garrett and children, Harold and Ella, have returned after a two weeks' outing near Cleveland.

Mr. and Mrs. A. J. Williams have returned from Durango, O., where they visited Mr. and Mrs. W. F. Williams.

GORDON FUNERAL.

The funeral of Robert T. Gordon, of Salem, will take place at Salem Saturday afternoon at 2 o'clock. The interment will be at the Odd Fellows cemetery there. The services will be held in the Methodist Episcopal church.

You don't have to bake it, you don't have to fry it, You don't have to wash it, or peel it, or dry it, You don't have to set it to rise over night, You don't have to worry for fear it's not right, It's ready for you when you're ready to eat it. What is it? Why, "Toasties!" Can you beat it?

HAYMOND ESTATE PAYS FORFEITURE

Of \$8,500 for the State County and District to Tax Department.

CHARLESTON, Aug. 23.—Through the office of the state tax commissioner another large sum of money has been collected to be returned to the county and district. It is the forfeiture of \$8,500 from the estate of Sidney Haymond, of Harrison county, and covers the years of 1909-10-11. Of the entire amount only about \$100 will go to the state, a little over one-fourth to the county and the balance to the road, teachers and other funds of Elk district in which Mr. Haymond lived.

There have been a number of cases where these forfeitures have proved a wonderful assistance to the district; and have made possible the keeping up of roads, the employment of teachers holding better grade certificates, and even in the construction or care of buildings. What the state gets out of it is very small.

The German American Car Company, a West Virginia corporation, but with principal offices in Chicago, has increased its authorized capital from \$500,000 to \$700,000. The resolution authorizing the increase has been filed with the secretary of state by President Max Epstein.

MOUNT CLARE

MT. CLARE, Aug. 23.—A few of the little friends and playmates of Miss Georgia Davison, daughter of Mrs. L. J. Davison, were entertained on a recent afternoon in honor of her eleventh birthday. Games and a swing on the lawn offered amusement until the little guests were invited into the dining room where they were served with ice cream, cake, peaches and grapes. The little hostess was the recipient of several nice presents, one of which was a silk dress, a present from her mother.

David Morgan, of Buffalo creek, was here this week enroute to Morgantown to attend the Morgan family reunion.

UPSHUR

County Fair Will Be Bigger and Better This Year Than Ever.

BUCKHANNON, Aug. 23.—The eighth annual meeting of the Upshur County Fair and Agricultural Association will be held on the fair grounds at Buckhannon, September 2, 3, 4 and 5.

Everybody is interested in seeing what there is new under the sun, and no known place this season will present so favorable an opportunity as the Home Fair. No pains have been spared to make this fair complete in every detail and you cannot afford to miss a single day.

The exhibits in the floral hall, the agricultural department, and the display of live stock and poultry promises to eclipse any former meeting of the association. The spirit of competition in various exhibits of live stock and farm products stimulates local pride and ambition, and is an important factor in our progress.

The races will be an important part of the fair's attractions. The outlook for securing horses is very flattering, and, judging from the numerous inquiries from horsemen, there will be more horses entered for the races than for many years past.

A force of men is now at work putting the grounds in first-class shape for this meeting and, as every one knows who has attended this fair, the society's facilities for the accommodation of visitors and exhibitors are unsurpassed.

The midway will be filled with good shows, of a moral character and plenty of innocent amusements and attractions of various kinds will be furnished.

The management has arranged with the Baltimore and Ohio and the Chesapeake and Ohio railroads for the same train service as last year, which includes a special train between Buckhannon and Sago on September 3 and 4, and which includes also frequent train service between the town and fair grounds.
